# A YEAR IN REVIEW

We continue to thank God for the counseling ministry at iHope! During 2022, over 1,600 counseling and coaching appointments were held. Individuals, families, and marriages were strengthened throughout the Pee Dee area.

The Lord brought some big staffing changes at iHope this year, and it has been an encouragement to see how He continues to shape this ministry.

The iHope Center continues to rely on generous donations from churches and families throughout our area. In particular, we have strengthened our financial scholarship program during this year, which has blessed many families.

Praise God with me for what He is doing here in Florence.

*Jessica Hayes*

Director, iHope Christian Care & Counseling

# CRUNCHING THE NUMBERS

## EXPENSES & REVENUE

In total, 2022 expenses came to \$137,762. The total net income for 2022 was \$133,370. Fortunately, a buffer in the bank account from previous years has offset the negative net total.

During the year, \$28,706.89 was received in donations. Exactly 50% of these donations were for *Something New Ministries* and the other 50% were for the iHope counseling ministry.

A special grant of \$2,000 was received from St. Luke's Endowment. This was specifically for a 2022 project of local pastoral workshops. Several had to be cancelled and rescheduled, so the project continues into 2023.

# THANKSGIVING & PRAYERS

## THANK YOU!

We are thankful for Reeves Cannon and all of his work in the iHope ministry. He is one of our founding counselors and stepped away from iHope this year. He continues on the iHope Board of Directors.

Thank you to our staff, counselors, coaches, and Board members for your work.

Thank you to our donors for supporting this ministry!

## PRAYERS

Pray with us for increased donation support, to allow us to offer more scholarships and provide more month-to-month stability for the budget.

Pray with us for clarity and wisdom regarding next steps for staffing at iHope.

Pray with us for the Holy Spirit's continued healing work for our clients and community.
